Stainless Steel

Dimensions

Depth	450mm
Height	Ⓐ 120mm
Width	Ⓑ 598mm

Features & Benefits

Installation

These freestanding standard rangehoods can be either externally ducted through the top or can recirculate air internally through its filters without the need for external ducting. Perfect for apartments.

Simple Control

On/off, three speed push button control indicates the fan speed setting and when the light is activated.

Easy Clean

Single filter, consisting of layers of aluminium mesh, trap grease particles but let air through. It is dishwasher safe or can be cleaned by hand in hot soapy water. The filter has an easy clean stainless steel cover.

Designed to Match

This rangehood is available in both stainless steel or white to match your cooktop or oven.
