

Air Circulator

DCAC20F Foldable Air Circulator

Compact, but powerful. Get the most out of your heating and cooling appliances with an air circulator. Designed to distribute the air around your home in an energy efficient and cost effective way. Pair with a dehumidifier to knock out residual dampness in hard to reach places. Features a DC motor and three modes for quiet, unobtrusive circulation for a healthy home.

- 3 Modes - normal, natural & sleep
- 80° horizontal oscillation
- 6m/s air speed
- Foldable design
- 24 Speed settings
- Digital LED display
- Detachable guard for easy cleaning
- 0-24 Hour timer
- Remote control
