

Ultronic Premium

Ultronic Premium

The efficiency of the Ultronic hand dryer makes drying your hands an easy and hygienic process. The switchable heating element allows for maximum comfort and can also be switched off to enable 'silent mode' which is ideal for sanitary rooms in schools, offices, and public buildings.

Dimensions

Product features

- › Extremely short hand drying time of less than 12 seconds
- › Robust, impact-resistant casing made of brushed stainless steel
- › Integrated & certified room air purifier with UV-C lamp and ion generator
- › With HEPA filter for hygienic hand drying with clean air
- › Add-on heating element for pleasant hand drying
- › Silent mode with reduced fan speed
- › Hygienic and energy efficient through IR proximity sensors
- › Maintenance-free thanks to brushless motor
- › Very long service life
- › Energy efficient and environmentally responsible
