Product highlights

FastSteam Technology

The exclusive core technology provides a continuous supply of powerful steam for quick and easy de-wrinkling.

No ironing board needed

Enjoy fast wrinkle removal without the hassle of setting up an ironing board first.

Compact and light

Ergonomically designed to be easy to use and lightweight, our handheld steamers are comfortable for steaming in any position.

The world's first Dual FreeGlide 3D Technology

With the uniquely upward curved soleplate, glide over any obstacle like buttons, pockets and zippers.

iCare Technology

Safe and gentle on all ironable fabrics to protect your clothes from any burning or damage while steaming.

Removable 150 ml water tank

The easily removable tank features a large opening that makes it very easy to refill at the faucet.

Horizontal and vertical steam

Maximum versatility for fast, targeted results exactly where they're needed.

Quick heat-up

Getting ready just got faster and easier – just plug in and the QuickStyle 5 is ready to steam in only 45 seconds.
